A picture of the student activities in Adamson during some of the happiest years of your life to remind you when time clouds the memory—that is what the staff hopes to give you, the students of Adamson High School in this, the thirty-first issue of the OAK.

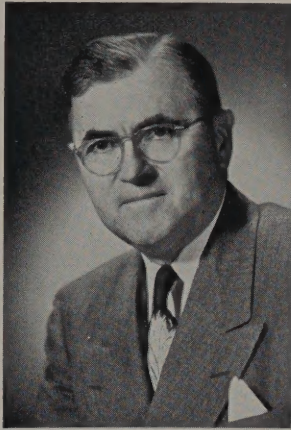

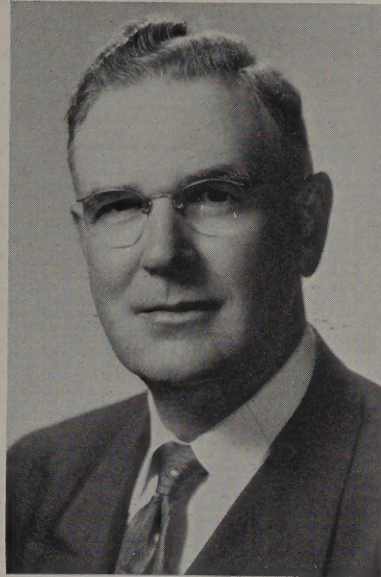

Because of his outstanding leadership in Debate and the honors his work has brought to our school, we, the senior class of 1951 at Adamson High School dedicate this edition of the OAK to Mr. Carl C. Nutley.
